Co-located Events

Don't forget to attend the **CNCF**-hosted and Co-located Events

The screenshot shows the top navigation bar of the event website. From left to right, it includes: KubeCon logo, CloudNativeCon logo, Europe 2024, Register, Attend (with a dropdown arrow), Venue + Travel, Sponsor, Program (with a dropdown arrow), Co-Located Events (with a dropdown arrow), Contact Us, and View All Events (with a dropdown arrow). Below the navigation bar is a large banner featuring a colorful illustration of the Paris skyline, including the Eiffel Tower and other landmarks. On the left side of the banner, there is a white callout box containing the text "CFP for CNCF-hosted Co-located Events". The background of the banner is a gradient of blue and light grey.

Cloud Native Rejekts

Cloud Native **Rejekts** is a secondary conference where rejected but valuable talks from **KubeCon + CloudNativeCon** get a second chance to be presented. Don't miss it if you have time!

Parties

Kubecon parties are an excellent opportunity to network and engage with people but keep in mind that *registration is usually required* to attend most of them. Do it in advance!

Network

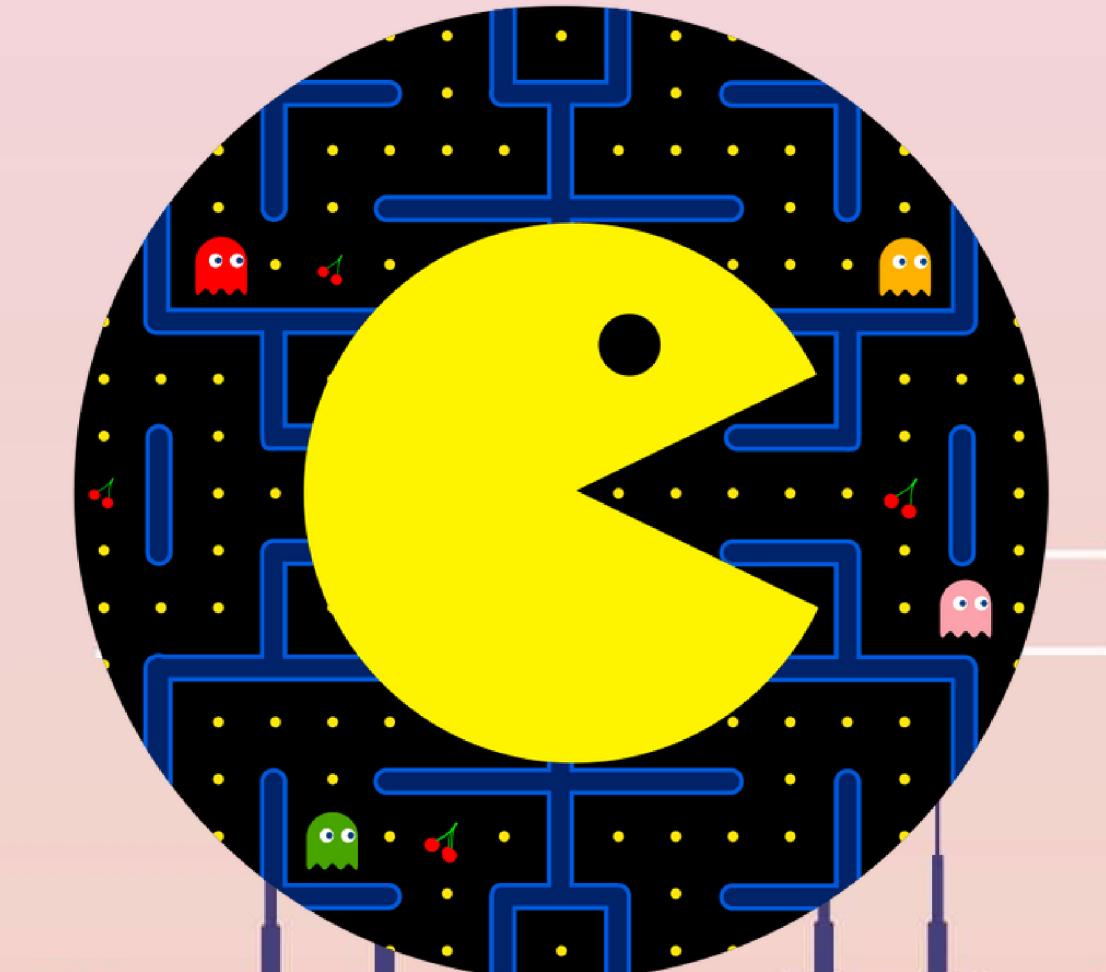

KubeCon is an excellent opportunity to network with like-minded professionals. Introduce yourself to speakers, fellow attendees, and exhibitors. You can learn a lot from these interactions.

Pac-Man strategy

Create an opening in the conversation circle, like **Pac-Man**, to welcome others to join. This works very well!

Ask Questions

Don't hesitate to ask questions during sessions or workshops.
KubeCon is a place to learn, so you can take advantage of it.

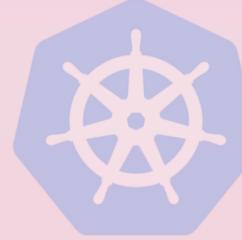

Dress Comfortably

You'll be walking a lot, so wear comfortable shoes

Visit the Expo Hall

The expo hall is where you can meet vendors, learn about new tools and technologies, and even collect some swag. SWAAAAAAG!!

RELAX

If you feel overwhelmed, it's perfectly normal :) !

You can take a break and find a quiet room
designated for this.

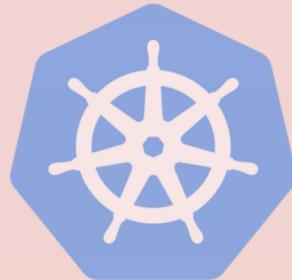

Engage on Social Media

Follow the event's official hashtag and join the conversation on social media **#KubeConNA**

Good morning #KubeConNA Day 2 ☀️
Photo a bit blurry but the view was stunning also from the ground 😊
Very grateful to @openuk_uk @CloudNativeFdn @AmandaBrockUK @lizrice
and @pritianka to making this happen 😊

Take Notes

Bring a notebook or use your device to take notes during sessions. You'll thank yourself later when you're trying to recall key insights.

Explore the City

Consider taking some time to explore and enjoy
the local culture.

Have Fun!

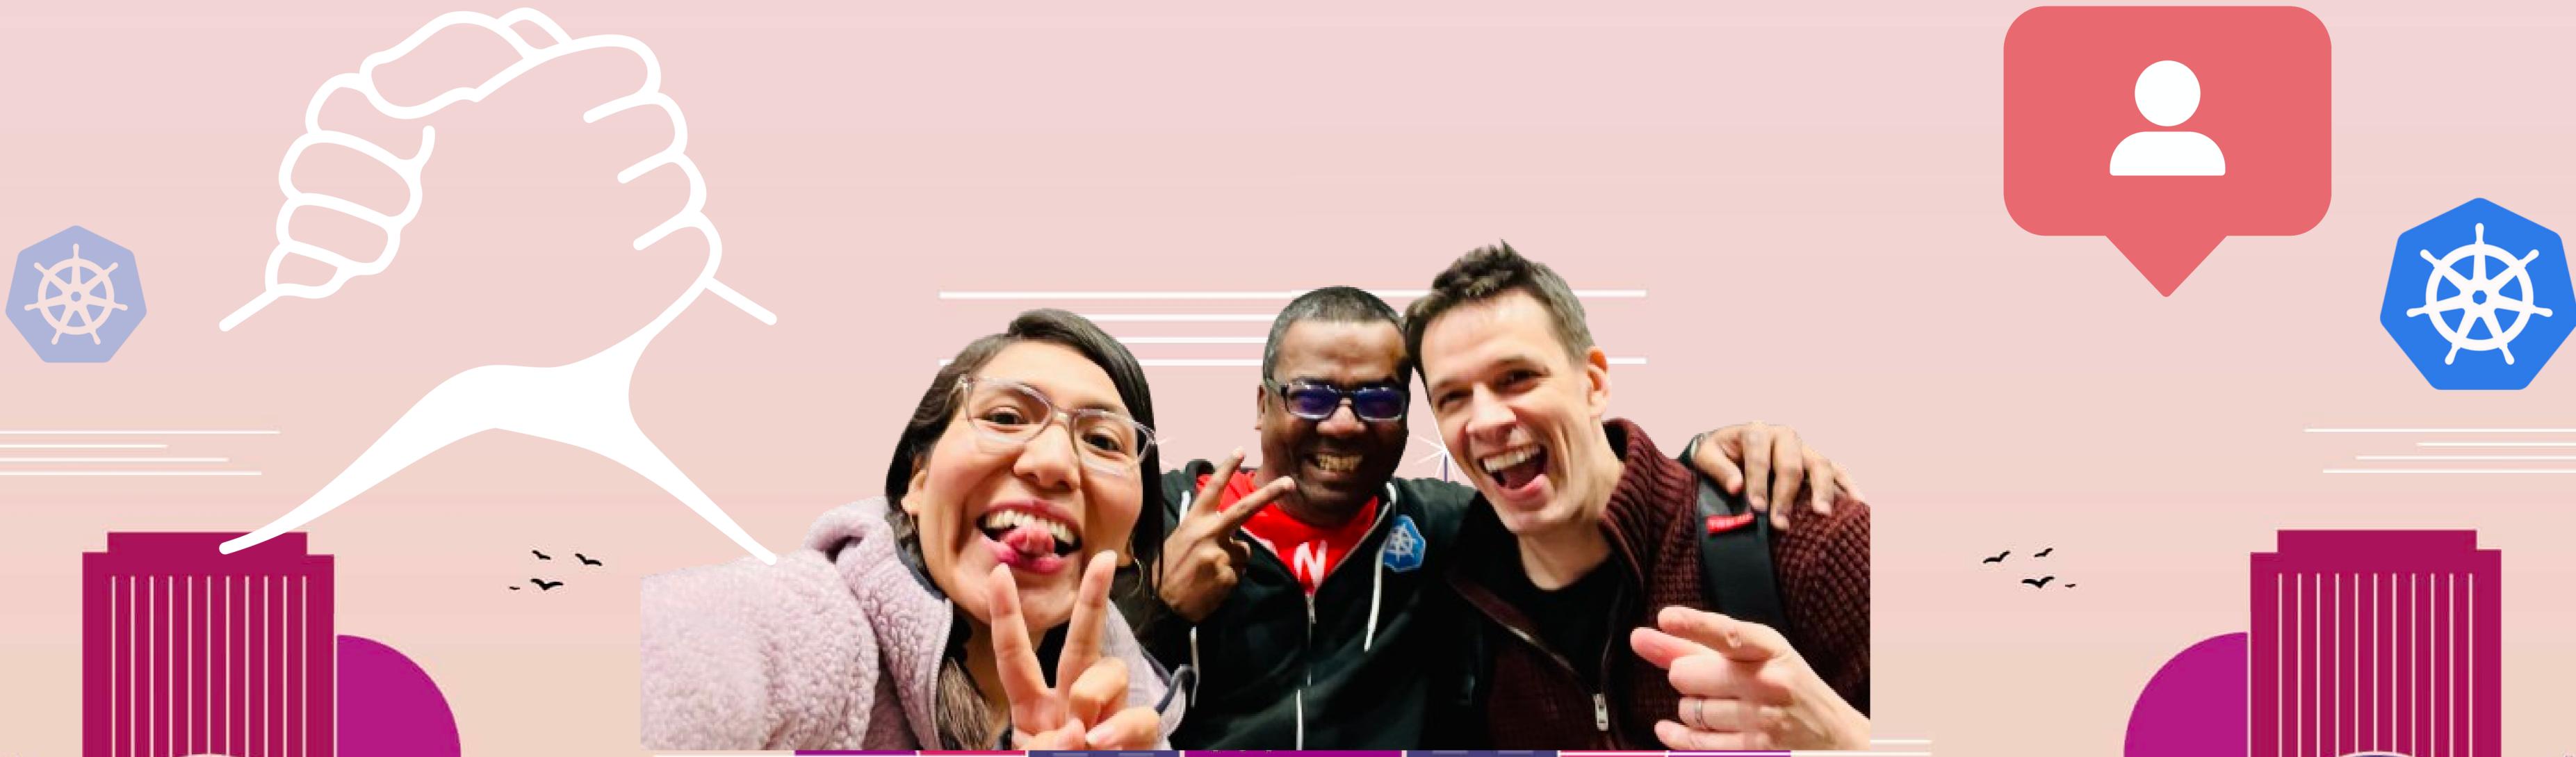

Remember that KubeCon is not just about learning; it's also about having fun. Enjoy! Be present! Be happy!

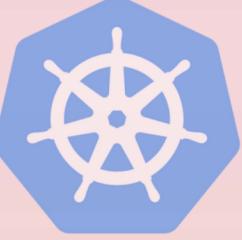

Follow Up

After the conference, follow up with new contacts and continue the conversations you started. This is where lasting professional relationships can be built.

Remember that your experience will be **unique**, so adapt these tips to your interests and goals.

Enjoy **KubeCon**, learn as much as you can, and make the most of this awesome and unique opportunity!
